

The Novarian Phoenix

Knight of Dawn in Richilde's reign, she was born
Proved true and brave, with a charge so fierce, they won at Semmerholm
And with all the battles over, the darkness at an end
Novaria stood tall in victory and the Sun Queen called her 'friend'

*With my banners riding so high, my knights all armed in steel
And from my Pride and Courage comes the power that I wield
Once around the labyrinth, I died beneath my tree
Now my scions rise on phoenix wings, for all of Dawn to see*

To guard in Applefell she built her, fortress there
But the soul that never ventures far, in peace begins to wear
No one listened to the Weavers, they'd forgotten how to strive
So when flames took hold of the old heart, left them open to the sky.

*With my banners riding so high, my knights all armed in steel
And from my Pride and Courage comes the power that I wield
Once around the labyrinth, I died beneath my tree
Now my scions rise on phoenix wings, for all of Dawn to see*

My war cry rends the morning skies, I am here
No longer sheltered and kept close, now I stride out without fear
My fruit I cast so widely 'neath, the Empire's blazing sky
I led the way, and I lead the way, to the future and for Pride

*With my banners riding so high, my knights all armed in steel
And from my Pride and Courage comes the power that I wield
Once around the labyrinth, I died beneath my tree
Now my scions rise on phoenix wings, for all of Dawn to see*

The musical notation is written on three staves in a 4/4 time signature with a key signature of one sharp (F#). The first staff contains the first line of music with chords Em, D, Em D, Em G, D, Em D, and Em.
